## Direct Link™ TV Adaptor Quick Guide for Output Jack Setup

For more detailed instructions please see the Installation Guide enclosed with your system.

### Power Outlet

#### Box 1

TV Adaptor Power Cord

**STEP 1:** Plug the power adaptor into the power source.

**STEP 2:** Plug the power cord into the power adaptor marked A.

**STEP 3:** The light will be green when power is on.

### TV Cord

#### Box 2

TV cord

**STEP 1:** Locate audio output jacks on back of TV (typically labelled Audio Out).

**STEP 2:** Plug the TV cord into the output jacks as shown.

**STEP 3:** Plug TV cord into adaptor marked B.

### Streamer & Pairing

Streamer

**NOTE:** Before pairing, charge Streamer or attach to power supply.

Pairing button

**STEP 1:** Place Streamer close to adaptor. Press pairing button until blue light flashes rapidly.

**STEP 2:** Pairing is complete when orange status light on TV adaptor comes on (about 1-2 minutes).

**STEP 3:** The TV adaptor can be mounted to the TV with the Velcro provided.

#### Box 3

#### Alternative Connections:

Use the Audio Jack Adaptor or Microphone (Box 3) if the audio output jack is not available. See enclosed booklet or installation instructions.

# Direct Link™ Phone Adaptor Quick Guide for Output Jack Setup

For more detailed instructions please see the Installation Guide enclosed with your system.

## Power Outlet

### Box 1

Phone Adaptor Power Cord

**STEP 1:** Plug power adaptor into power source.

**STEP 2:** Plug the power cord into the power adaptor as shown.

**STEP 3:** The light will blink red when power is on.

## Phone Cord Connection

### Box 2

**STEP 1:** Unplug phone line from the phone or cordless phone base station.

**STEP 2:** Plug the phone line into Phone adaptor marked LINE (black socket).

**STEP 3:** Other end of cord remains in the wall jack.

**STEP 4:** Plug the Tele Cord into the Phone Adaptor marked PHONE (yellow socket).

**STEP 5:** Plug the other end of the Tele Cord into the phone or base station.

Tele Cord

## Streamer & Pairing

Streamer

Pairing button

**STEP 1:** Place Streamer close to adaptor. Press pairing button until blue light flashes rapidly.

**STEP 2:** Press red button (A) on Phone Adaptor until red status indicator is flashing (B).

After 5-10 sec both the red light (B) and the blue (C) will be constant. Blue light will then fade to off (C).

**STEP 3:** Verify pairing by pressing the phone button (A) on streamer. The red status button will flash (B).

**NOTE:** Before pairing, charge Streamer or attach to power supply.
